

Journal Selection Report for your paper titled: *Manuscript Title [ABCD_1_2]*.

Dear Dr. Author,

This journal selection report will help you finalize a target journal for your paper. It has been compiled considering the scope, indexing requirements, and impact factor range best suited for your paper in its current form. We have considered your preferences in this report, which has been prepared to move you ahead in your publication journey. However, please note that a journal's editorial team considers multiple factors that do not rely on this report alone.

That said, we truly are committed to supporting you throughout your publication journey and will recommend other suitable target journals at no additional charge to you in the following instances:

- If you receive an 'out-of-scope' rejection from a journal that Editage recommends in this report
- If any of the journals Editage recommends are subsequently acquired by predatory publishers

More specifically, we have considered these preferences you shared with us:

1. Preferred journal: Journal A

Next steps for you

- To proceed with the next step of your service pack, please select one target journal from the journal selection report

Thank you for choosing Editage as your publication partner! We're happy to address any questions you may have on the report.

Best regards,
Editage

Editage recommends: Journal B

We suggest that you target the journal 'Journal B' for publication of your manuscript as it offers

The best scope match among the shortlisted journals

2. A higher likelihood of acceptance
3. Adherence to your indexing requirements
4. Carries no mandatory open access fees
5. A fast review period

Please note, that the final decision to choose a journal is yours as the author of the abovementioned paper. We have shortlisted additional suitable journals in tables A and B below. Please go over the information shared below in detail before finalizing your target journal.

Table [A] assesses 5 journals based on the scientific content of your manuscript

Journal	Shortlisted by	Scope match	Similar research published	Indexing preference	Impact Factor preference	Fast publication	Mandatory Open Access
Journal B	Editage	Yes	Yes	Yes	Yes	Yes	No
Journal C	Editage	Yes	Yes	No	No	No	No
Journal D	Editage	Yes	Yes	No	No	No	No
Journal E	Editage	Yes	Yes	No	No	No	No
Journal A	Author	Yes	No	Met	Met	No	Yes

How to read the table above: “Yes” in Table [A] indicates

Shortlisted by	Journals shortlisted by the author and/or Editage; any author preferences will be included here.
Scope Match and Similar Research Published	The manuscript matches the aim/scope as described on the journal website and has published articles similar in scope and focus within the last five years. This indicates that the manuscript is a suitable fit for the journal and reduces the likelihood of receiving an ‘out-of-scope’ rejection.
Indexing Preference	The journal is indexed in the specific database as required by the author.
Impact Factor Preference	The journal has an impact factor within the range specified by the author.
Fast Publication	The journal has an average peer review decision time of 3 to 6 weeks.
Mandatory Open Access	The journal only offers open access publication, which will incur an additional publication fee.
